APPLICANT REMARKS

The current applicant-assignee of the present application is the assignee of a large number of U.S. patent applications and U.S. patents related to methods and apparatus associated with diapers and, in particular, vacuum-packaged and/or volumetrically reduced diapers. For purposes of possibly facilitating the Examiner's consideration of the present application, Applicant hereby makes available a visual overview of the U.S. patent properties at:

<http://snell.ti-law.com/overview.pdf>

Importantly, the overview represents a quick reference to basic information regarding each U.S. patent property and includes hyperlinks directly to Public PAIR information for each property.

Respectfully submitted,
TILLMAN WRIGHT, PLLC
